How to send your money in

Well done – you’ve raised your funds and hopefully had lots of fun along the way. On behalf of all the families, children and young people that we support across Scotland, thank you!

It’s now time to pay in your donations, so we’ve detailed some options below to help you do this.

Paying in your donations

Pay by phone:

You can call our fundraising hotline and make your donation over the phone. The contact number is 0345 10 80 111.

Paying in online:

Making an online donation using a debit or credit card couldn’t be simpler. Simply visit: www.children1st.org.uk/donate/

Bank transfer:

Contact fundraising@children1st.org.uk to request a paying-in slip which you can take to the bank, or alternatively you can pay in directly to our bank account – please contact us for the bank details.

Paying by cheque:

Make your cheque out to “Children 1st” and send it to:
Children 1st, 83 Whitehouse Loan, Edinburgh, EH9 1AT

Online fundraising page:

Some teams may want to create a Just Giving page to send in their funds. If so, the link is www.justgiving.com/children1st. Children 1st receive the funds automatically, so it’s a very straight forward way to pay in your money.
