

# Virtual fundraising at work

Video Call Fines

- Ask colleagues to donate: first hour's pay, first billable hour, the cost of the daily coffee, commute or Friday drink; this soon adds up!
- Video call fines: ringing phones or forgetting you're on mute!
- Virtual auction: secure prizes and accept bids via email
- Senior staff forfeit: ask the boss if they'll do something silly when your target is reached
- Always remember to ask if your employer can match or add to money raised
